Note du secrétariat*

À sa première session, le Comité préparatoire a approuvé les arrangements proposés pour l'accréditation des organisations non gouvernementales et des autres grands groupes qualifiés en vue de leur participation à la Conférence mondiale sur la prévention des catastrophes et au processus préparatoire correspondant. Le secrétariat de la Conférence a reçu des demandes d'accréditation des ONG et des autres grands groupes dont la liste est jointe en annexe, et recommande leur accréditation.

* Le présent document est soumis tardivement car sa rédaction a nécessité toute une série de consultations internes et externes.

1. Au paragraphe 16 de sa résolution 58/214 du 23 décembre 2003, l'Assemblée générale a encouragé les grands groupes visés dans l'Action 21 à contribuer de manière effective à la Conférence mondiale sur la prévention des catastrophes ainsi qu'à ses préparatifs et les a invités à se faire accréditer à cet effet.
2. À sa deuxième session (voir A/CONF.206/PC(II)/10, par. 25 et 26), le Comité préparatoire a approuvé la recommandation du secrétariat concernant la participation de 55 organisations non gouvernementales et autres grands groupes, dont la liste figure dans les documents A/CONF.206/PC(II)/7 et Add.1. Cependant, vu le nombre croissant d'ONG et d'autres grands groupes qui étaient désireux de participer aux travaux de la Conférence, le Bureau du Comité préparatoire est convenu de reporter au 30 novembre 2004 la date limite pour le dépôt des demandes d'accréditation.
3. Le secrétariat de la Conférence a évalué les demandes d'accréditation complètes reçues au 30 novembre 2004 selon les critères et les procédures d'accréditation adoptés à la première session du Comité préparatoire (voir A/CONF.206/PC(I)/6, par. 28 et 29). La liste des ONG et des autres grands groupes dont il recommande l'accréditation figure dans l'annexe, publiée en anglais/espagnol/français seulement. En l'occurrence, le secrétariat de la Conférence recommande l'accréditation de toutes les organisations qui en ont fait la demande. Les demandes reçues après le 30 novembre 2004 n'ont pas été acceptées.
