## **Economic Commission for Europe**

### **Inland Transport Committee**

#### **Working Party on Inland Water Transport**

##### **Working Party on the Standardization of Technical and Safety Requirements in Inland Navigation**

###### **Forty-ninth session**

Geneva, 22–24 June 2016

### **Draft report of the Working Party on the Standardization of Technical and Safety Requirements in Inland Navigation (continued)**

#### **Addendum**

#### **VII. Recreational navigation (agenda item 9)**

*Documents:* ECE/TRANS/SC.3/WP.3/2016/18, Informal documents SC.3/WP.3 Nos. 23 and 28 (2016)

##### **A. Promotion of recreational navigation**

31. The Working Party took note of the presentation by EAEU on the establishment of a single market of services in the leasing or rental of pleasure craft and noted the information in ECE/TRANS/SC.3/WP.3/2016/18.

32. EBA welcomed the intention of EAEU and informed the Working Party about the current situation on this issue and, in particular, the work of the International Organization for Standardization (ISO), the Working Group 11 of ISO/TC 228 Tourism and related services, on an ISO standard to deal with service levels and safety when chartering a bareboat.

33. The secretariat read the note of the Russian Yachting Association on possible development of SC.3/WP.3 activities addressing recreational navigation, and specifically, pleasure craft chartering and routes for recreational navigation, among others.

34. The Working Party took note of the presentation on water tourism transmitted by the Association of agro and green tourism "DNIPRO" and the group of companies "Mountain Club", and possible cooperation with UNECE.

35. The Working Party asked member States and other stakeholders to share their experiences and practices in pleasure craft leasing or rental, and current problems and challenges for shipowners, vessel operators, crews and passengers of pleasure craft.

36. The Working Party decided to hold a workshop dedicated to recreational navigation during the sixtieth session of SC.3.

**B. International Certificate for Operators of Pleasure Craft (Resolution No. 40)**

37. The Working Party took note of the information submitted by Switzerland on national authorities issuing the International Certificate for Operators of Pleasure Craft (ICC) (Informal document SC.3/WP.3 No. 23 (2016)) and asked the secretariat to prepare the amendment to Resolution No. 40 for the sixtieth session of SC.3.

38. The Working Party took note of the information by the secretariat on developing a database of ICC models. Via Donau transmitted to the secretariat the ICC model issued by Austria. EBA transmitted the ICC model issued in the United Kingdom by the Royal Yachting Association.
