The representative of Transfrigoroute International is invited to present the recent activities of his organization.

(c) Standardization organizations

Delegations participating in the work of standardization organizations are invited to inform the Working Party about progress on the development of standards dealing with transport under controlled temperatures and what impact these standards are expected to have on the ATP.

5. Status and implementation of the Agreement on the International Carriage of Perishable Foodstuffs and on the Special Equipment to be Used for such Carriage (ATP)

(a) Status of application of the Agreement

There have been no new accessions to ATP since the last session and the number of Contracting Parties remains at 50.

(b) Status of amendments

Proposed amendments to the ATP adopted by WP.11 at its seventy-third and seventy-fourth sessions held in Geneva from 10-13 October 2017 and 8-12 October 2018 respectively, are deemed accepted as of 6 January 2020 (depositary notification C.N.5.2020.TREATIES-XI.B.22), for entry into force on 6 July 2020.

(c) Test stations officially designated by the competent authorities of countries Parties to ATP

The current list of officially designated test stations appears at the following web link: <http://www.unece.org/trans/main/wp11/teststationsnew.html>.

(d) Exchange of information among Parties under Article 6 of ATP

The questionnaire on the implementation of ATP in 2019 will be sent by the secretariat in May 2020. WP.11 stressed that it was mandatory to have information from all ATP contracting parties and that it was a means of harmonizing implementation of the agreement.

At the request of the Working Party at its seventy-third session, the secretariat sent a letter to all contracting parties requesting them to fulfil their obligation under article 6 of ATP of replying to the annual questionnaire and to update the contact information for competent authorities and test stations. All the information received by the secretariat is included in the list of competent authorities and officially designated test stations at <http://www.unece.org/trans/main/wp11/teststationsnew.html>.

(e) Exchange of good practices for better implementation of ATP

The Working Party may wish to consider any proposals for better implementation of ATP.
