INFORMATION CIRCULAR No. 4632

Subject: CATERING SERVICES - INCREASE IN PRICES

1. On the recommendation of the Joint Committee on Catering Services, the Division of Administration has agreed that some prices in the cafeterias and bars and the Delegates' Restaurant should go up, as shown in the annex. This increase in prices, the first since 1998, is due to the rise in the cost of living in Geneva this year and the large increase for certain products over the past few months. In addition, value-added tax (VAT) will increase from 7.5 per cent to 7.6 per cent on 1 January 2001.
2. The higher prices will apply at all catering facilities in the Palais des Nations and annexes as from Tuesday, 2 January 2001.
