## **Committee on the Peaceful Uses of Outer Space**

# Information furnished in conformity with the Convention on Registration of Objects Launched into Outer Space

Note verbale dated 27 May 2016 from the Permanent Mission of Belgium to the United Nations (Vienna) addressed to the Secretary-General

The Permanent Mission of Belgium to the United Nations (Vienna), in accordance with General Assembly resolution 1721 B (XVI) and the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution 3235 (XXIX), annex), has the honour to inform the Secretary-General that Belgium has entered in its national register the OUFTI-1 satellite, registration No. 2016-B-SC-004, which was launched on 25 April 2016 at 2102 hours UTC from Kourou, French Guiana (France), as part of a test and demonstration of the Digital Smart Technologies for Amateur Radio (D-STAR) radio relay subsystems (see annex).

V.16-05355 (E) 310816 010916

#### Annex

### Registration data on a space object launched by Belgium\*

#### **OUFTI-1**

Information provided in conformity with the Convention on Registration of Objects Launched into Outer Space

Name of the space object OUFTI-1

National designator/registration number 2016-B-SC-004

State of registry Belgium
Other launching States France

Date and territory or location of the launch

Date of the launch 25 April 2016 at 2102 hours UTC

Territory or location of the launch Kourou, French Guiana

Basic orbital parameters

Nodal period 95.76 minutes
Inclination 98.2 degrees

Apogee 664.44 kilometres
Perigee 453.15 kilometres

General functions of the space object Testing and demonstration of Digital

Smart Technologies for Amateur Radio (D-STAR) radio relay

subsystems

V.16-05355
