**Committee on the Peaceful  
Uses of Outer Space**

**Information furnished in conformity with the Convention  
on Registration of Objects Launched into Outer Space**

**Note verbale dated 17 April 2017 from the Permanent Mission of  
the Russian Federation to the United Nations (Vienna) addressed  
to the Secretary-General**

The Permanent Mission of the Russian Federation to the United Nations (Vienna), in accordance with article IV of the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution 3235 (XXIX), annex), has the honour to transmit registration data on space launches by the Russian Federation in March 2017 and also on the space objects that ceased to exist during that period (see annex).

## Annex

### Registration data on space launches by the Russian Federation in March 2017<sup>\*</sup>

1. In March 2017, the Russian Federation did not launch any objects over which it has control and that, in accordance with established practice and its international obligations, were included in the register of space objects launched by the Russian Federation.
2. In March 2017, the Russian Federation did not launch any space objects on behalf of foreign clients.
3. As at 2400 hours Moscow time on 31 March 2017, no space objects belonging to the Russian Federation had been found to have ceased to exist in Earth orbit in March 2017.

---

<sup>\*</sup> The registration data are reproduced in the form in which they were received.
